1. Parking on campus is a privilege granted to the student. **IT IS NOT A RIGHT.**
2. Students must purchase a parking permit to drive a vehicle on campus and to park on campus. The number of parking permits will be limited to the available student spaces. Seniors have priority. Any remaining parking spots are allocated to student drivers first come, first serve. Parking permits are sold in the front office for \$50. Lost parking permits must be replaced and will be sold in the office for \$5. These are non-refundable fees.
3. Students must present a driver's license, vehicle registration and parking application form in order to purchase a parking permit. Students who have their driver's licenses revoked will also have their parking privileges revoked.
4. Each student who purchases a permit shall park only in the section designated for student parking.
5. Each student must display an Apprentice Academy parking permit in his/her vehicle while parking on campus. The permit must hang from the rearview mirror in such a manner that the permit number can be read when standing in front of the vehicle. Failure to properly display the permit will result in a fine.
6. Students shall operate vehicles in a safe manner while on campus. The speed limit on all roads and in all parking lots on campus is 10 miles per hour.
7. Students shall not operate vehicles with loud mufflers nor play radios, or other sound systems at a volume that might disturb classes or offices.
8. Students who have purchased a parking permit and have parking privileges will be fined \$5.00 for each minor violation of parking regulations to include not properly displaying the permit. After three violations, the fine will increase to \$10.00 for each minor violation.
9. Students who have not purchased a parking permit will be fined \$25.00 for each violation of parking violations to include parking on campus without having a permit.
10. The Apprentice Academy principal, or his designee, reserves the right to have a vehicle towed from campus at the owner's expense if necessary. Students Who Park on Campus Without a Parking Permit are Subject to Towing at Any Time.
11. Any student who leaves the Apprentice Academy campus without checking out properly or takes another student off campus who has not checked out properly, is subject to the loss of parking privileges and disciplinary action up to and including loss of driving privileges for the remainder of the school year.
